Project Name	Project – Car Resale Value Prediction

1,home page

2,data Entry Page

A screenshot of the 'Car resale value' data entry page. The page has a light gray background with a subtle brick pattern. A dark gray form box is centered on the page, containing various input fields for car details. The title 'Get the Accurate Resale Value of Your Car!!!' is at the top of the form. The fields include: 'Registration year' (text input with '2018'), 'Registration Month' (text input with 'November'), 'Power of car in PS' (text input with '1400'), 'Kilometers driven' (text input with '80000'), 'Gear type' (radio buttons for 'Manual', 'Automatic', and 'Not declared'), 'Your car is repaired or damaged' (radio buttons for 'Yes', 'No', and 'Not declared'), 'Model Type' (dropdown menu with 'Polo'), 'Brand' (dropdown menu with 'Volkswagen'), and 'Fuel Type' (dropdown menu with 'Petrol'). The browser's address bar shows the file path 'C:/Users/ELCOT/Downloads/aaa/value.html'. The Windows taskbar at the bottom shows the search bar and various application icons.
